All dates are the first Thursday of the month, **except for the meeting at The Three Horseshoes at Scotton, which is on a Wednesday**. Meet midday onwards. You **MUST** let me know by midday on the Tuesday before the lunch meeting at the latest if you intend to be there. This is so that I can let the pub have an accurate number of how many to cater for. Places will be reserved only for the people who let me know that they intend to be there.
