NICK WHITLOCK AT THE SALTBURN HILL CLIMB. SEPTEMBER 2018

Here are some pictures of N.E. Section Club Member Nick Whitlock who was enjoying some spirited rides up the hill at the Saltburn Hill Climb on the 9th September. Nick, who lives in Saltburn and is a regular participant, sported a mildly modified 1982 R100RS and a pretty much standard R50. The day is classed as a 'demonstrator' run rather than competition event so no timings were taking place. However, it's fair to say that many of the participants were not 'hanging about!' Entries included everything from vintage motorcycles through to bikes from the 1980s. Some lovely cars of similar age ranges too. Get it in your diary for a visit next year. It's a great day out by the seaside in this traditional resort. See the Pier and the oldest water driven Cliff Lift. There are cafes, coffee shops and fish & chips a-plenty and there's ample bike parking on the lower promenade. adjacent to the event.
